

Time has come to move house

FOLLOWING 30 years of giving back to the Murwillumbah community, Kathy and Lionel Alexander purchased their little slice of paradise.

They purchased property in Newland's \$23 million Riva Vue development in Murwillumbah to be able to expand their family.

"We have always wanted to live at Riva Vue and with our family expanding and our old home bursting at the seams, we decided it was the perfect time to make the move," Mrs Alexander said.

During the past 25 years, the couple have spent their time running a touch football club with Mr Alexander the chairman of the board at the Murwillumbah Leagues Club.

"We have always enjoyed giving back to our wonderful community," Mrs Alexander said.

"Murwillumbah has a real sense of community spirit that we love, something that we couldn't wait to share with our one-year-old grandson.

"Now it's just a short stroll to the club where we spend a lot of our time so we barely drive our

cars anymore. The new road to be built behind the Leagues Club will also give us direct access to the main street once completed."

North Estate Agents marketing agent Lance Cotterill said that it was a great time to buy.

"Buyers are realising that it's cheaper to purchase a new house and land package than to

purchase an existing, older home in the area, and those who purchase now can enjoy the benefits of capital growth as demand for the development and Murwillumbah continues to grow," Mr Cotterill said.

The estate is located off Barnby St in Murwillumbah.
